error message not letting me access software from patient screen stating "maximum number of characters allowed in the field are 32000"

error message not letting me access software from patient screen stating "maximum number of characters allowed in the field are 32000"

You are using a very old version of Posture Pro.

Please upgrade to the latest version of Posture Pro www.posturepro.com/Donwload/PP8Install.exe and the error message will go away.
